

1. We Are In a Debt Crisis Because Washington Spends Too Much, Not Taxes Too Little
2. With 22 Million Americans Out of a Job or Unable to Find Full-Time Work, We Cannot Allow Job-Killing Tax Increases to be Part of a Debt Limit Deal
3. The Economy is Already Facing \$1.5 Trillion in Job-Killing Tax Increases Under the President's Budget
4. House Republicans Have Already Approved a Plan to Close Tax Loopholes and Create Jobs by Making the Tax Code Flatter, Fairer, and Simpler for Families and Employers
5. The President Has Still Not Offered the American People or Congress a Plan, Just Political Speeches and Class Warfare Rhetoric
